

4. I agree that Spencer Township, at reasonable intervals and at reasonable times, may periodically inspect the building to determine if it is still being used only as an agricultural building.

5. I understand this building will be exempt from the State of Michigan Building Code because of its status as an agricultural building only. I further understand that the building's exempt status will be lost if this building is used, in whole or in part, for any other purpose except as an agricultural building, as defined above. In that event, the building will be required to comply with State of Michigan Building Code, or else be removed from the Subject Property.

6. I understand that this Affidavit will be filed with the Kent County Register of Deeds and will continue to apply to the Subject Property regardless of who owns the Subject Property.
